

DIRECTORS' REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2024

In accordance with a resolution of the Directors dated 7 February 2025, the Directors of the Company have pleasure in reporting on the Company for the financial year ended 30 September 2024 and the state of affairs as at 30 September 2024.

The Directors of the Company in office at the date of this report are:
Richard Rees Thomas Rees

PRINCIPAL ACTIVITIES:

ABN 17 006 852 820 Pty Ltd is a non-operating entity.

REVIEW OF OPERATIONS:

The Company has operated within budget parameters during the year.

REVIEW OF FINANCIAL POSITION

The directors refer readers to the financial statements including, statement of profit or loss and other comprehensive income, statement of financial position, statement of changes in equity and statement of cash flows, in relation to the company's financial position and comparison.

OPERATING RESULTS:

The net profit for ABN 17 006 852 820 Pty Ltd, after providing for an income tax expense of \$21,464 (2023 income tax revenue \$1,327) amounted to \$26,592 (2023 net profit \$652).

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS:

No significant changes to the company's state of affairs have occurred during the year. The Company no longer wholly owns the shares in The Cylinder Company as the company is in the process of winding up as at 30 September 2024.

EVENTS SUBSEQUENT TO BALANCE DATE:

No other matters or circumstances, except as detailed above, have arisen since the end of the financial year which significantly affected or may significantly affect the operation of the company and the results of these operations or the state of affairs of the company in financial years subsequent to the financial year ended 30 September 2024.

ENVIRONMENTAL ISSUES:

The Company is not subject to significant environmental regulation in respect of its activities.

PROCEEDINGS ON BEHALF OF THE COMPANY:

No person has applied for leave of Court to begin proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The company was not a party to any such proceedings during the year.

INDEMNIFICATION OF OFFICERS AND AUDITORS

During the financial year, the holding company paid a premium of \$56,645 in respect of a contract insuring the directors of the company (as named above) and all executive officers of the company and of any related body corporate against a liability incurred as such a director, secretary or executive officer to the extent of the policy limits with a current \$7,500,000 in aggregate for all claims per twelve months.

The company has not otherwise, during or since the financial year, indemnified or agreed to indemnify an officer or auditor of the company or of any related body corporate against a liability incurred as such an officer or auditor.

FUTURE DEVELOPMENTS

No information has been included on the likely developments of the Company as the directors are of the opinion that to include such comments would be unreasonably prejudicial to the interests of the Company.

AUDITOR'S INDEPENDENCE DECLARATION

The auditor's independence declaration for the year ended 30 September 2024 is included on page 6 of the Financial Report.

OPTIONS

No options over shares or interest in the company have been taken up during the period, or are outstanding at the end of the period.

REMUNERATION REPORT

The Board policy for determination of the nature and amount of remuneration for directors and senior executives is based on the yearly Chairman and Managing Director's assessment of individual's performance and the general overall performance of the company.

It is the stated policy that depending on this assessment, the level of remuneration may be increased or decreased after a review from its previous level.

The criteria on which individual performance is assessed are:-

- technical knowledge and skills in light of current levels for the applicable occupation or profession
- application by the individual of their knowledge and skills to their tasks
- the ability and success in imparting their knowledge, skills and work ethic to personnel assigned to them
- the ability to complete assignments successfully and in the allocated time
- the ability to assist the company and or subsidiary achieve profitable short, medium and long term performance and growth by delivering customers with quality, competitively priced and innovative products and services.

The table below sets out the remuneration paid during the year to Directors and executives from all Companies in the Group with a breakdown into salaries/ bonuses, superannuation and non-monetary benefits.

No equity component of remuneration is provided but board policy is to encourage directors and executives to purchase shares in the Holding Company on the stock exchange with the objective of long term investment.

Name	Office	Short Term Benefits				Post-Employment Benefits		Total	
		Salary/Bonus ¹		Non-Monetary Benefits		Superannuation			
		2024 (\$)	2023 (\$)	2024 (\$)	2023 (\$)	2024 (\$)	2023 (\$)	2024 (\$)	2023 (\$)
D.G. Rees	Director	-	11,667	-	-	-	1,225	-	12,892
R. Rees	Director	245,000	243,333	40,000	40,000	27,756	28,281	312,756	311,614
T. Rees	Director	270,000	238,333	-	-	27,700	28,225	297,700	266,558
Total		515,000	493,333	40,000	40,000	55,456	57,731	610,456	591,064

¹ R. Rees' salary for 2024 includes bonuses totalling \$40,000 (2023: \$40,000). The six monthly bonuses with grant dates of 31 March 2024 and 13 September 2024. The bonuses totalling \$40,000 have been fully paid as at 30 September 2024.

² T. Rees' salary for 2024 includes a bonus of \$110,000 (2023: \$80,000). The six monthly bonuses with grant dates of 31 March 2024 and 13 September 2024 have been fully paid as at 30 September 2024.

The above table represents the remuneration received from all companies in the group.

Signed in accordance with a resolution of the Directors made pursuant to S.298(2) of the Corporations Act 2001.

On behalf of the directors.

Independent Auditor's Report to the Members of ABN 17 006 852 820 Pty Ltd

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of ABN 17 006 852 820 Pty Ltd (the Company), which comprises the statement of financial position as at 30 September 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

In our opinion, the accompanying financial report of ABN 17 006 852 820 Pty Ltd is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 30 September 2024 and of its performance for the year then ended; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 26 in the financial report, which indicates that the company is in the process of winding up subsequent to the year-ended date. Our opinion is not modified in respect of this matter.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Advisory. Tax. Audit.

Registered Audit Company 291969

Nexia Melbourne Audit Pty Ltd (ABN 86 005 105 975) is a firm of Chartered Accountants. It is affiliated with, but independent from Nexia Australia Pty Ltd. Nexia Australia Pty Ltd is a member of Nexia International, a leading, global network of independent accounting and consulting firms. For more information please see www.nexia.com.au/legal. Neither Nexia International nor Nexia Australia Pty Ltd provide services to clients.

Liability limited under a scheme approved under Professional Standards Legislation.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

DIRECTORS' DECLARATION

The directors declare that:

- a) The attached financial statements and notes (pages 7 to 22) thereto comply with Australian Accounting Standards;
- b) The attached financial statements and notes thereto give a true and fair view of the financial position and performance of the company;
- c) In the directors' opinion, the attached financial statements and notes thereto are in accordance with the Corporations Act 2001, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
- d) In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed, in accordance with a resolution of the directors made pursuant to s.295(5) of the Corporations Act 2001.

On behalf of the Directors

Auditor's Independence Declaration under Section 307C of the Corporations Act 2001 to the Directors of ABN 17 006 852 820 Pty Ltd

I declare that, to the best of my knowledge and belief, during the year ended 30 September 2024, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2024

Note 1 MATERIAL ACCOUNTING POLICY INFORMATION

The financial report is a general purpose financial report prepared to satisfy the financial report preparation requirements of the *Corporations Act 2001*.

ABN 17 006 852 820 Pty Ltd is a company limited by shares, incorporated and domiciled in Australia.

The financial report covers the economic entity of ABN 17 006 852 820 Pty Ltd which is incorporated and domiciled in Australia.

The financial report has been prepared for a for-profit entity, with the Australian Dollar as presentation currency and amounts rounded to the nearest whole dollar.

Basis of Preparation

The financial report is a general purpose financial report, which has been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report of ABN 17 006 852 820 Pty Ltd complies with Australian Accounting Standards. Material accounting policies adopted in the preparation of these statements are stated below and were consistently applied unless otherwise stated.

The financial statements were authorised for issue on 7 February 2025 by the directors of the company.

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

(A) Material Accounting Policies

Accounting policies are selected and applied in a manner which helps ensure that the resultant financial information satisfies the concepts of relevance and reliability, thereby, ensuring that the substance of the underlying transactions and other events is reported. The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

(B) Plant and Equipment

Depreciation has been charged in the accounts using either the reducing balance or straight line method on all classes of depreciable assets so as to write off their book value over the estimated useful life of the asset. The following estimated useful lives are used in the calculation of depreciation. Plant and Equipment 4 – 8 years.

(C) Inventories

The Company has:

- (i) Valued stocks at the lower of cost and net realisable value.
- (ii) Calculated costs by including all variable manufacturing cost, and an appropriate portion of fixed manufacturing cost, but excluding selling, distribution and administration expenses.
- (iii) Assigned cost to inventory quantities on hand at balance date on a first in first out basis.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED 30 SEPTEMBER 2024

(D) Research and Development Expenditure

Expenditure during the research phase of a project is recognised as an expense when incurred. Development costs are capitalised only when technical feasibility studies identify that the project will deliver future economic benefits and these benefits can be measured reliably.

Development costs have a finite life and are amortised on a systematic basis matched to the future economic benefits over the useful life of the project.

(E) Employee Entitlements

Provision is made for benefits accruing to employees in respect of annual leave and long service leave when it is probable that settlement will be required and are capable of being measured reliably.

Provisions made in respect of annual leave and long service leave, expected to be settled within 12 months and after 12 months are measured at their nominal values plus related on costs.

(F) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to entities within the economic entity are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated to the reduction of the lease liability. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(G) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted with changes in presentation for the current financial year.

(H) Receivables

Trade receivables and other receivables are recorded at amounts due less any provision for doubtful debts.

(I) Recoverable Amount of Non-Current Assets

Non-current assets are written down to recoverable amount where the carrying value of any non-current assets exceed recoverable amount. In determining the recoverable amount of non-current assets, the expected net cash flows have been discounted to their present value.

(J) Payables

Trade payables and other accounts payable are recognised when the economic entity becomes obliged to make future payments resulting from the purchase of goods and services.

(K) Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied. Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Revenue from contracts with customers

The core principle of AASB15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those good or service. Revenue is recognised by applying a five-step model as follows:

- (i) Identify the contract with the customer
- (ii) Identify the performance obligations
- (iii) Determine the transaction price
- (iv) Allocate the transaction price to the performance obligations
- (v) Recognise revenue as and when control of the performance obligations is transferred.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED 30 SEPTEMBER 2024

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

Sale of Goods

Revenue from the sale of goods is recognised upon the deliver and invoicing of goods to customers.

Rendering of Services

Revenue from rendering of service is recognised upon delivery and invoicing of the service to the customers.

Other income

Revenue from rent, interest revenue & dividend revenue is recognised on invoice date, when accrued and at ex-dividend date respectively.

(L) Provision for Warranties

Provision is made in respect of the company's estimated liability on products under warranty at balance date.

(M) Income Tax

The company adopts the liability method of tax-effect accounting whereby the income tax expense is based on the profit from ordinary activities adjusted for any non-assessable or disallowed items. It is calculated using the tax rates that have been enacted or are substantially enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss. Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity. Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised. The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the company will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

ABN 17 006 852 820 Pty Ltd, which is a wholly-owned Australian subsidiary company, is a member of an income tax consolidated group

under the tax consolidation regime. ABN 17 006 852 820 Pty Ltd recognises its own current and deferred tax liabilities, except for any deferred tax liabilities resulting from unused tax losses and tax credits, which are immediately assumed by the parent entity. The current tax liability of the entity is then subsequently assumed by the parent entity. The group notified the Australian Tax Office that it had formed an income tax consolidated group to apply from October 1, 2003. The tax consolidated group has entered a tax sharing agreement whereby each company in the group contributes to the income tax payable in proportion to their contribution to the net profit before tax of the tax consolidated group.

(N) Borrowing costs

Borrowing costs are recognised in income in the period in which they are incurred.

(O) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED 30 SEPTEMBER 2024

Key estimates - Impairment

The company assesses impairment at each reporting date by evaluating conditions specific to the company that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

(P) Financial Instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument. On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit and loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL
- fair value through other comprehensive income - equity instrument (FVOCI - equity)
- fair value through other comprehensive income - debt investments (FVOCI - debt)

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position. Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment. Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Fair value through other comprehensive income

Equity instruments

The Company has a number of strategic investments in listed and unlisted entities over which they do not have significant influence nor control. The Company has made an irrevocable election to classify these equity investments as fair value through other comprehensive income as they are not held for trading purposes.

These investments are carried at fair value with changes in fair value recognised in other comprehensive income (financial asset reserve). On disposal any balance in the financial asset reserve is transferred to retained earnings and is not reclassified to profit or loss. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED 30 SEPTEMBER 2024

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL. Net gains or losses, including any interest or dividend income are recognised in profit or loss (refer to hedging accounting policy for derivatives designated as hedging instruments).

The Company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade Receivables

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and contract asset and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and finance lease liabilities.

NOTE 23. FINANCIAL INSTRUMENTS

(a) Significant Accounting Policies

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which revenues and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 1 to the accounts.

The Company's financial instruments consist mainly of deposits with banks, local money market instruments, and accounts receivable and payable.

(b) Interest Rate Risk

The following details the company's exposure to interest rate risk as at the reporting date.

	2024	2024	2023	2023
	Average	Total	Average	Total
	Interest		Interest	
	Rate		Rate	
	%	\$	%	\$
Financial Assets				
Cash	1.08	<u>2,193</u>	1.10	<u>33,591</u>
		<u>2,193</u>		<u>33,591</u>

The company has performed sensitivity analysis relating to its exposure to interest rate risk at balance date. The sensitivity analysis demonstrates the effect on the current year results and equity which could result from a change in these risks.

At 30 September 2024, the effect on profit and equity as a result of changes in the interest rate, with all other variables remaining constant would be as follows for interest revenue.

	2024	2023
	\$	\$
Change in profit		
- Increase in interest rate by 1%	232	334
- Decrease in interest rate by 1%	(200)	(292)
Change in equity		
- Increase in interest rate by 1%	232	334
- Decrease in interest rate by 1%	(200)	(292)

(c) Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the entity. The entity has adopted the policy of only dealing with creditworthy counterparties and obtaining sufficient collateral or other security where appropriate, as a means of mitigating the risk of financial loss from defaults. The company measures credit risk on a fair value basis.

(d) Net Fair Value

The carrying amount of financial assets and financial liabilities recorded in the financial statements represents their respective net fair values, determined in accordance with the accounting policies disclosed in note 1 to the accounts.

NOTE 24. COMPANY DETAILS

The registered office of the company is:

C/~ Cook's Body Works Pty Ltd 140-144 Cochranes Road, Moorabbin VIC 3189

The principal place of business is:

As above

NOTE 25. NEW ACCOUNTING STANDARDS FOR APPLICATION IN FUTURE PERIODS

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Company. The company has decided not to early adopt any of the new and amended pronouncements.

NOTE 26. EVENTS SUBSEQUENT TO BALANCE DATE

The company is in the process of winding up. No other matters or circumstances, except as detailed above, have arisen since the end of the financial year which significantly affected the operation of the company and the results of these operations or the state of affairs of the Company in financial years subsequent to the financial year ended 30 September 2024.
